DETAILED ACTION

Allowable Subject Matter

Claims 5-10 are allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the PTO 892 form of the previous Office action. None of the cited references disclose or suggest a heat dissipation device attached to said microelectronic die back surface with a thermal interface material, wherein said thermal interface material forms at least one fillet between said heat dissipation device and said at least one beveled sidewall as required by the presently claimed invention. Therefore, the Claims at hand are allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
